Patents

Patents **21** - **30** on **network topology discovery**. (**0.10** seconds)

System for registration of clients in an ATM **network** providing for communication of client ...
US Pat. 5694547 - Filed Mar 18, 1996 - Bay Networks, Inc.
For terminology herein, such devices will generally be referred **Topology discovery** and, in fact, automatic **topology** identifying other devices in the **network** ...

Method for providing for automatic **topology discovery** in an ATM **network** or the like
US Pat. 5583991 - Filed Jun 7, 1995 - Bay Networks, Inc.
NETWORK MANAGEMENT SUPERVISOR 201 \op • s~j, <> CLIENT CLIENT INTERFACE 203 \ \ NNI SWITCH FABRIC 233 MASTER SWITCH MODULE CONTROLLER 212 NNI NNI ^ SWITCH ...

Method and apparatus for remotely configuring a **network** device
US Pat. 6286038 - Filed Aug 3, 1998 - Nortel Networks Limited
different mechanisms, such as a physical **topology discovery** protocol that collects information from physical **topology** mibs on **network** devices. ...

Protocol and method for peer **network** device **discovery**
US Pat. 6269099 - Filed Jul 1, 1998 - 3Com Corporation
... protocols and route data packets to appropriate devices on a **network topology**. ... A peer **discovery** protocol and peer **discovery** methods for peer **network** ...

Method for displaying a **network topology** for a task deployment service
US Pat. 6477572 - Filed Dec 17, 1998 - International Business Machines Corporation
The **network** manager also includes a **topology** mapper 36, which receives inputs from the **discovery** module and uses this information to build and display ...

Method and system for automatic **discovery** of **network** services
US Pat. 6286047 - Filed Sep 10, 1998 - Hewlett-Packard Company
The **network discovery** system queries these **discovery** agents and obtains the information necessary to form a graphical display of the **topology**. ...

Distributed route server
US Pat. 6069895 - Filed Aug 29, 1997 - Nortel Networks Corporation
It is also responsible for **network topology** data networks enters a new phase by a change in **network topology** or significant traffic flue- OSI Intra-Domain ...

Network hub with integrated bridge
US Pat. 5432907 - Filed May 12, 1992 - Network Resources Corporation
Route **discovery** can be accomplished sent- The targeted router then opens the ... message and records the route to be 40 reflect the same **network topology**, ...

Token ring **network topology discovery** and display
US Pat. 6483812 - Filed Jan 6, 1999 - International Business Machines Corporation
... **network topology discovery** ...
